Dear Mr Graeme Bolton

Thank you for your letter today regarding Kim Kelly.

We are confused by the reference to the meeting regarding the Next Lap with Mary Collier and the minister's office. Please be clear that this meeting had no relevance to the QRIC's draft licensing scheme. I regret to inform you that this topic was not discussed with Mary Collier other than a separate letter presented as an opportunity moment with the minister's office.

The presentation was entirely relating to the report we presented regarding the next lap and the financial hardship that the proposals will have on the Greyhound industry with a detrimental effect. This report outlined the QGBOTA's opposed views to the Next Lap recommendations. We would like to point out that Ms. Collier received this report in a dismissive and combative manner that did not encourage an open dialogue on the day in question.

To clear up any confusion, I have attached a copy of the report that was presented for your clarification of the topics discussed.

We Await your response in regards to Mr. Kim Kelly.

Kind regards
The QGBOTA Committee
